

You're covered! Now share your story.

Now that you're covered in the **Health Insurance Marketplace**, tell us why having health insurance is important to you.

Start a conversation with your friends and family. And share your thoughts on **www.twitter.com/healthcaregov** and **www.facebook.com/healthcaregov**.

Use the hashtag **#getcovered** to share your personal story with us. We'll pick the best stories and feature them on the blog and on our social media channels.

Remember that sharing your story with us is voluntary. Your story may be shared publicly, and choosing not to share your story has no effect on your benefits or the insurance coverage you receive in the Marketplace.
